

FAMILLE CARTEYRON

CHATEAU PENIN

CHATEAU PENIN NATUR

Bright, amazingly approachable and without sulfites

TERROIR

Sandy soil bringing finesse to the wine

GRAPE VARIETIES

100 % Merlot

WINEMAKING & AGING

Grapes in their purest form without any additives

Only the healthiest plots are blended in the cuvée

Wines are aged on the lees with regular stirring to avoid oxidation and develop mouthfeel

Wines are aged at low temperature to avoid any flaws

Wines are filtrated before bottling, we like challenge but not bad surprises

TASTING

"Smooth and seductive on the palate, **this is vibrant and energetic [...]** offering blackcurrant and cherry fruit flavours, well-integrated tannins and spice elements that kick in towards the long finish [...] shows the potential of these wines especially considering they are made **without the addition of sulphur**"

Decanter - 93 pts. our 2010 vintage tasted in 2021

PAIRING

Ideal: summer cuisine, barbecues

Out of the box: any dishes with mustard sauce (ribs, rabbit)
